

2022 SPRING DEMO DAY

Richway is here to serve you. We offer the most comprehensive line up of Cellular Concrete Equipment. At our Demo Day you will have the opportunity to see our 100D CreteFoamer and our new SCL-210, sub-compact articulating loader, in action. With over 40 years of manufacturing foam generation equipment, backed by solid technical expertise and outstanding customer service, you can count on us. With innovative designed equipment, knowledge and technical support, and training from Richway we can help you tackle any project. At Demo Day let us be a resource to you. Make sure to grab one of us to discuss your upcoming project or any questions you may have about cellular concrete. We want you to get the most out of this event.

Get in touch • 1-800-553-2404 • 504 North Maple St, Janesville, IA • www.richway.com

Dinner at Montage

Join us Wednesday April 20th at 7:00 pm at Montage. Montage is located at 222 Main Street, Cedar Falls. We will have our own private party room where we can enjoy conversation and a great meal.

Breakfast and Lunch at Richway

We will be serving a hot breakfast including biscuits and gravy, fruit, rolls, and more from 8:00 am until 8:30 am. Then we will serve a BBQ lunch at 11:30 including brisket, pulled pork, and pulled chicken.

Demonstrations

At 8:30 am we will be performing a demo with our 100D CreteFoamer. We will have a few different demonstrations including lift height pour, introducing out Sampling Test Tee Valve, insulation test, pervious display, and much more. Plus you will have a chance to drive our SCL-210 loader.

Factory Tour

At 10:30 am we will be touring the factory, where you can see the diversity of products and parts we make in house. This includes our machine shop, powder coat booth, metal fab shop, rubber, plastic, and roto molding departments.

Seminars

After lunch we will be having several seminars. During the seminars we encourage you to ask questions. If there is anything not on the list that you would like to learn more about please let us know and we will try to add it to our list or we can plan to discuss it with you personally throughout the day.

- Foam Density/Water Concentration Ratio
- Safety with Cellular Concrete
- What's Coming?? The Future of Cellular Concrete
- Sampling Techniques
- 20 Questions in 20 Minutes

Accommodations

If you are planning to stay in the area Wednesday night, we would suggest you stay in Cedar Falls where there are several options available. We would recommend Hampton Inn in downtown Cedar Falls. It is within walking distance from the restaurant. Call today to book your room, (319) 242-7350. If you will be flying in, there are a few airport options: Waterloo Regional Airport (15 min from Richway), The Eastern Iowa Airport in Cedar Rapids (1 hr 20 min from Richway), Des Moines International Airport (2 hrs from Richway), or Minneapolis-St. Paul International Airport (4 hrs from Richway).
